

## Perfect Translations Launches Updated Website

Miami-based global linguistic and communications company unveils new look

Miami, Florida – February 9, 2010 – Perfect Translations, a leading international linguistic and communications provider has launched its revamped website. “We wanted to get the message out ASAP; it features a cleaner, simple, easy-to-navigate design, and an updated look that is more consistent with our corporate identity” – said Amiel Moskona, President and Chief Communications Officer of Perfect Translations. “In the near future we plan to roll out various user-centric features, as well as enhanced customer-relevant content,” he added.

Perfect Translations’ website can be found at: [www.PerfectTranslations.com](http://www.PerfectTranslations.com).

### About Perfect Translations

Founded in 2002 as a division of Target Worldwide, Inc. ([www.TargetWorldwide.com](http://www.TargetWorldwide.com)), Perfect Translations is a leading, Hispanic global communications enterprise that provides top-quality translation, trans-creation, communications management and interpretation services.
